

THE FUTURE FIT LEADERS PROGRAM

'CEO's who embrace upskilling are realising the rewards, such as a stronger corporate culture, greater innovation and higher workforce productivity'

PwC CEO Global Report 2020

A new type of business environment requires a new breed of leader: an individual who is a catalyst for transformation, a leader who can adapt swiftly to change, keep teams engaged and delivering in a complex and demanding environment. We believe that being 'Future Fit' starts with these foundational skills.

Course Objectives & Capabilities

The objective of this program is to advance the workforce by building confidence and competence in key soft skills. We'll achieve this using real world scenarios, tactical exercises and hearing from experts across different industries

Participants who complete the program will develop the ability to:

- Understand and articulate the value they bring to an organisation
- Deliver a compelling presentation
- Recognise the traits of an adaptable mindset
- Consider the role of creativity in their organisation
- Identify creative triggers and translate those into innovative projects
- Understand the principles of trust in team function
- Create an individual curriculum for continuous learning
- Identify and create connections with mentors, sponsors and advisors
- Lead confidently in a demanding environment
